The Commonwealth of Massachusetts

William Francis Galvin, Secretary of the Commonwealth

To the Reader,

I am happy to present this publication of election results, which includes the March Presidential Preference Primary, the September State Primary, and the November Final Election.

In addition, this book contains tables of enrollment, registration, and turnout for each community in the Commonwealth.

After the primary and election, each community sends to the Secretary of the Commonwealth an official report detailing how many votes were cast for each candidate for each office and every question on the ballot. This publication is then prepared from these results.

Write-in and sticker votes are consolidated and listed under "all others." Only those candidates who won or made a significant impact are listed by name.

To obtain additional copies, please call or write the State Bookstore at (617) 727-2834.

Sincerely,

William Francis Galvin

Secretary of the Commonwealth
